The deputy commissioner reports that no trees have been tapped in this grove, on the ground that they were overworked in previous years and that they therefore require rest. Under such circumstances, I beg to recommend that the whole of the rental of the said 'Grove Farm' may be ordered to be written off the accounts, the amount paid by the Kayem-soothadar, viz Rs: 19-2-0 being refunded to him.

GOVERNMENT OF MYSORE

No. 3010/1397.

From The Deputy Commissioner
Kolar District

To The Excise Commissioner
In Mysore.

Sir,

I have the honor to state that under the revised system of Toddy administration, the date trees standing in Inam villages are being sold along with shops and groves in Government villages and the proceeds credited to Government. One Mahamad Abbaskhan is the Kayamguttadar of Settiganahally in the Kolar Taluq. The date trees in this village were also being sold by Government as is done in other Inam villages since April 1892. With a view to prevent the overtapping of the trees the above Kayamguttadar purchased

the groves of his village during the sales held by Government for 1895-96 for Rs 76-8-0 inclusive of local Cess.

2. The Kayamguttadar complains that the trees were tapped by former contractors indiscriminately and that some rest must be given to them at least for a year to enable them to be fit for further tapping. He states that he is willing to forego the profits realized by the sale of the grove and that he would not sub-let the trees to any of the shop-keepers. He has paid the Kists from July to September 1895 amounting to Rs 19-2-0 besides he has deposited Rs 12-6-0 and he now requests that the Kists due by him from October 1895 may not be recovered from him.

The request of the Kayamgattadar seems to be just in as much as he is entitled to protect the trees standing in his village from premature decay by overtapping the same from year to year without giving them any rest and I therefore request that You will be good enough to obtain the orders of Government to cancel the present sale and to refund the money already recovered from him after deducting a proportionate amount on account of Establishment charges.

4. In this connection I further beg to state that in the enquiry held by the Extra Assistant Commissioner during 1894. the right of the said Kayamgattadar to the trees in his village having been established it has been recommended to Government that the disposal of the trees may

is conceded to him during the Inam Settlement.

5. A copy of the report is herewith appended for ready reference. I therefore request that the sale of the grove in this village may be ordered to be deferred pending final decision in the matter.

The Deputy Commissioner's letter
No 3010/1397, dated 20th instant

In reply has the honor to state that the Kayungoottadar of Settiganahally is quite right in objecting to the date trees in his village being tapped on the ground that they were over-worked in the past year, and that they therefore require rest. Such trees should not have been sold for the manufacture of Toddy during the current year. The Deputy Commissioner is requested to submit a Remission Statement for the refund of the amount paid by the Kayungoottadar. The under-signed trusts that no trees were tapped in the above village during the current year.

With reference to the above, has the honor to state that no trees were tapped in the above village during the current year.

2. The Kayanguttadar who had purchased the said trees during the sales has paid Khisto from July to September 1895 amounting to Rs 19-2-a besides depositing Rs 12-6-a towards the same.

3.

3. The Amildar of Kolar Taluk has been directed to return the deposit amount to the Kayangoddas and to submit a refund bill for the sum of Rs 19-2-0 which is credited to Excise proper and on receipt of the same it will be duly submitted for sanction together with a remission statement for the full amount of contract.

4. In this connection the undersigned begs to invite the attention of the Excise Commissioner to the last para of this office letter No. 3010/1397, dated 20th ultimo recommending that the sale of the said trees for the ensuing year may be deferred pending orders of Government for reasons stated therein.
